SOCIAL AND POLITICAL ACTIVITIES

Tech News LK

[Sri Lanka, 2018 – Current]

Me and my friend developed a website to deliver Information Technology news to Sinhala students and geeks, It called as Techie and it's website is <https://technews.lk> and this is a social project from us to Sinhalese.

We would like to expand this project to Tamil medium too.

<https://technews.lk>

BUSINESS DEVELOPMENT

Pious Brain - Web development company

[2020 – Current]

I found a student with many talents and I thought to hire him, and I offered web development projects to him. I could understand he can make his own future with my guidance and I asked him to register a business and he did

His business name is Pious Brain (<https://piousbrain.com>) now he has a company and he is still undergraduate.

I wish him to be a successful man.

<https://piousbrain.com>
